

Dear colleagues and dear Partners,

Greetings from Lisbon!

We have the opportunity to host an intern (paid from his/her home university with an Erasmus+ Traineeship scholarship) at our International Mobility Unit, at the rectory of NOVA University Lisbon.

The place is available from September, and we can host the student up to 6 months.

We are willing to host a student with a good knowledge of English, plus another European language, and who is interested in the Higher Education mobility programs.

We kindly ask you to disseminate this information among your students and let us know to this e-mail if there is anyone interested.

Do not hesitate to contact us in case you need more information.

Thank you in advance.

Best regards from sunny Lisbon!

Com os melhores cumprimentos/Best Regards

**CARLOTTA PISANO**
