

**42nd WINTER SCHOOL ON PROTEINASES AND INHIBITORS 12.03. - 16.03.2025
REGISTRATION FOR TIERS (ON-SITE)**

Name and title:

Date of birth:

Male Female Diverse

University (Company) & Department (Institute)

Department address

Phone:

email:

Educational level at the time of registration

I do not yet have a PhD degree (e.g. master student, PhD student)

I do have a PhD degree

I apply for a travel grant. Travel expenses of 5 young researchers (< 40 years) are generously reimbursed by ProteoCure. The requirements for applying for a travel grant can be found at <https://plus.ac.at/tiers>. If in doubt, please contact tiers@plus.ac.at.

Deadline for registration if applying for a travel grant is January 17, 2025.

Master and PhD students are guaranteed to be selected as talks. Title of my talk:

All abstracts must be sent to tiers@plus.ac.at by January 31, 2025.

I will participate in the 42nd Winter School ON-SITE - Registration fee € 740.-

I am an **accompanying person** (not attending the scientific sessions) - Registration fee € 670.-

I understand that accommodation in Tiers is, with a few exceptions, available only in 2-, 3- or more bed rooms. I would like to share the room with:

I would like to eat vegetarian food

Planned arrival in Tiers (date)

Planned departure from Tiers (date)

My payment method (see <https://plus.ac.at/tiers> - Fees and Payment Details)

Bank transfer (EU) Credit card (outside EU only)

42nd WINTER SCHOOL ON PROTEASES AND INHIBITORS 2025 - GDPR

Due to the **General Data Protection Regulation**, effective in the EU since May 2018, we are required to ask for your consent regarding the use and storage of your personal data as specified below. Please tick the box if we can use and store your data as we have done in the past.

Declaration of consent

I have registered for the *Winterschool on Proteases and their inhibitors 2025*.

For this purpose, I have provided personal data as follows: **Name, date of birth, address, photo**

These data will be used and stored for the following purposes:

- i. Registration for accommodation. For this, the data will be forwarded to the relevant hotels.
- ii. Production of printed and digital media in connection with the Winterschool - especially the production of the Winterschool-Program and the conduct of the various events, e.g. outings and (prize) presentations.
- iii. Reports about the Winterschool in printed and digital media. This includes newspapers and websites, as well as social media channels of the University of Salzburg and expert associations such as the International Proteolysis Society (IPS), e.g. IPS Quick Cuts.
- iv. Offer of proteolysis-relevant information, e.g., conference announcements or job postings.

I agree that my personal data will be recorded and stored only by the Department of Biosciences and Medical Biology at the PLUS for the purposes stated above. The Department may forward these data to third parties if necessary for the specified purposes.

I agree to receive occasional protease-relevant information (low traffic).

This consent can be revoked by sending an email to tiers@plus.ac.at at anytime. The revocation does not affect the legality of the processing up to that point. Upon request, my data must be deleted unless the law requires us to keep it.

Based upon work from COST Action ProteoCure, CA20113, supported by COST (European Cooperation in Science and Technology).

COST is a funding agency for research and innovation networks. Our Actions help connect research initiatives across Europe and enable scientists to grow their ideas by sharing them with their peers. This boosts their research, career and innovation.

To enable and foster the unrestrained presentation and discussion of new results and ongoing research, every Winter School attendee must respect that all contents presented and discussed at the Winter School are private communications, not allowed for public use. Consequently, recording of lectures or photographing/copying of presentations or individual slides is prohibited.
